My brothers and sisters in Christ,

Saint Joseph Manyanet, the prophet of the family in modern times, warned us about the dangers our families are facing today. To protect the families from those dangers he founded the Sons and Daughters of the Holy Family to be sent to bring the values of the Holy Family into families making every home a New Nazareth.

Our school, which is a nonprofit organization brings those values through education to our children, not only the mind and spirit, but also focusing on the education at the heart. This is our mission and our most important responsibility here at Santa Cruz for God's children.

During these difficult times we have 28 students out of 107 currently enrolled, whose families are not able to pay the full tuition, but still want their children to receive a good education growing in Catholic values. To fulfill our mission and responsibility we are trying to help them so they may remain here at Holy Cross Catholic School to have a better opportunity in education, while being surrounded by others in the same faith growing in Catholic values as their foundation.

During this time of Advent and Christmas, the time of generosity and giving, we want to invite you and your family to seek the guidance of our Lord by adopting one of our children. By your act of kindness you are helping them to continue in Catholic Education.

In the back of this letter you will find the list of children with the amount of tuition they need assistance with. Out of confidentiality and respect for the families, the names have been replaced by a saint name, but they are real children with real needs. Know that your donation will be tax deductible.

Your help in this matter is greatly appreciated. May the blessings of the Holy Family of Nazareth be upon you and wrap you in their love through the intercession of St. Joseph Manyanet the founder of the Sons of the Holy Family.

Sincerely yours, in Jesus, Mary and Joseph,

Fr. Javier Gutiérrez S.F.
